FOREWORD

Built for enduring utility

Welcome to our 2026/2027 Leather Goods Export Compendium. As global brands and corporate procurement teams seek dependable partners who bridge artisanal leathercraft with high-throughput manufacturing, we deliver precision leather goods engineered to international export standards.

Utilising ethically sourced, LWG-audited hides, vegetable tannins and high-performance hardware, our integrated production facility manufactures export-ready personal leather goods, structured bags, workspace accessories and travel folios. We guarantee strict material consistency, non-toxic edge chemistry and rigorous quality inspection across every production run.

Whether developing private-label retail collections or fulfilling large-scale corporate gifting programmes, our technical sample room and production engineers collaborate directly with your procurement department – from initial 3D tech-pack prototyping to containerised port dispatch.

A dedicated global trade partner

60–80k

SLG units per month

20,000

structured bags per month

5–7 days

counter-sample lead time

30–35 days

mass production, 5,000 units

BRAND & INFRASTRUCTURE

Operational pillars

01

Ethical & traceable sourcing

Full-grain and top-grain bovine and calf leathers sourced exclusively from certified tanneries adhering to zero wastewater discharge protocols and Chromium-VI-free tanning.

02

Precision bench craft & assembly

Computer-controlled skiving, precision laser cutting, reinforced French box-stitching and multi-layer hand-burnished edge inking.

03

Global chemical compliance

Zero hazardous chemical discharge, meeting REACH (EU), California Proposition 65 (USA) and CPSIA certifications.

04

Turnkey OEM & ODM development

Bespoke brass mould casting, Pantone-matched leather milling, private-label embossed branding and custom luxury packaging.

QUALITY & COMPLIANCE

Manufacturing & certification

Manufacturing infrastructure

Parameter	Standard
Monthly output capacity	60,000-80,000 small leather goods; 20,000 structured bags
Machinery	CNC pattern cutting tables, Fortuna skiving & splitting, automated edge inking, hydraulic heat-embossing presses
Quality inspection	100% in-line piece inspection plus AQL 1.5 Major / 2.5 Minor pre-shipment standard
Needle detection	Full metal and needle detection sweep on every finished carton

International compliance

Leather standards

LWG (Leather Working Group) Gold / Silver rated tannery supply chain

Chemical safety

REACH Annex XVII tested — no azo dyes, Chromium VI < 3 ppm, lead < 90 ppm, DMF-free

Social compliance

BSCI and Sedex SMETA 4-Pillar audit alignment

Market certifications

California Proposition 65 and CPSIA conformity for the US market

All certifications are maintained on a rolling annual audit cycle; current certificates are issued with every proforma invoice.

02 · EVERYDAY CARRY & SLGs

Men's RFID Slim Bifold Wallet

LTH-WAL-014

An ultra-slim profile engineered to eliminate pocket bulk while offering comprehensive card capacity. Built with RFID-blocking signal shielding, rolled hand-painted edges and reinforced corner tacks.

Material	100% full-grain vegetable-tanned bovine leather, 1.0-1.2 mm
Lining	RFID-shielding woven poly-twill with copper-nickel mesh
Dimensions	112 mm × 88 mm × 10 mm Weight: 65 g
Capacity	6 card slots, 2 concealed slip pockets, full-width cash compartment
Finishing	Hand-waxed bonded nylon stitching; 3-coat matte edge paint
HS code	4202.31.00 — articles carried in pocket or handbag
MOQ	300 pcs standard stock 500 pcs custom tanned colour
Carton pack	120 pcs / carton in rigid gift boxes 48 × 36 × 32 cm 12.5 kg gross

03 · STRUCTURED CARRY & BAGS

Structured Leather Commuter Tote

LTH-BAG-008

A minimalist architectural silhouette engineered for business utility. Rigid base construction prevents sagging, while reinforced dual shoulder handles comfortably bear heavy tech payloads.

Material	Semi-aniline full-grain cowhide, scratch and splash resistant
Lining	100% cotton drill or bonded faux-suede microfibre
Hardware	Solid brushed antique brass; Japanese YKK Excella zippers
Dimensions	400 mm × 320 mm × 130 mm Drop: 260 mm Weight: 780 g
Capacity	Fits 15" laptops; internal zip organiser, phone slip, key lanyard
Branding	Blind deboss, gold or silver hot foil, cast metal badge
MOQ	300 pcs standard stock 500 pcs custom tanned colour

05 · TRAVEL & VOYAGE

Dual-Fold Passport & Document Holder

LTH-PAS-003

Sized precisely for international transit. Houses passports, boarding passes, foreign currencies and SIM cards in a compact, lay-flat folding design.
